

A collage of images showing various urban scenes: a modern building with blue and white stripes, a dense residential area with colorful houses, a modern building with large windows, and a swimming pool area with palm trees.

#SES2021

Social Entrepreneurship Summit 2021

Building ecosystems for a more resilient society

Conference Program

8th, 9th & 10th September

Online Conference

Organizers

With the support of

Co-funded by the
Erasmus+ Programme
of the European Union

www.equalisi.com/ses2021

WELCOME TO SES2021

Dear participants:

On behalf of the Organizing Committee of the Social Entrepreneurship Summit, we would like to welcome you to our e-conference #SES2021.

Our conference was planned, for a second time, to be organized physically in Guayaquil, Ecuador hosted by ESPAE Business School. Due to covid, the current pandemic situation and the uncertainty to travel, we decided to run this conference again under an online format. Last year, we had a great experience and a wonderful Summit. We feel confident that the experience this year will be very fruitful, thanks to your support, interest and contributions. This year, the summit has more than 150 participants from 22 different countries.

We are looking forward to having engaging discussions spread over three days of the Summit, followed hopefully by many more conversations afterwards. Please have a look at the rich conference program presented on the following pages. We are thankful to all presenters, as well as to all universities, projects and different organisations that have contributed to materialise this Summit.

We wish you a very enjoyable virtual summit. And please use in your social media communication the following hashtags #SES2021

Estimados participantes:

En nombre del Comité Organizador de la Cumbre de Emprendimiento Social, nos gustaría darle la bienvenida a nuestra conferencia electrónica #SES2021.

Al inicio, nuestra conferencia fue planeada, por segunda vez, para ser organizada físicamente en Guayaquil, Ecuador, auspiciada por ESPAE Business School. Debido a covid, la situación actual de la pandemia y la incertidumbre relacionada con la posibilidad de organizar los viajes, decidimos realizar trasladar nuestro evento a un formato en línea. El año pasado, tuvimos una gran experiencia y una Cumbre maravillosa. Confiamos en que la cumbre SES2021 sera muy fructífera, y esto es gracias a la calidad de las ponencias y a los mas de 150 de 22 países que se encuentran inscritos y hacen parte de este programa.

Esperamos que este evento sea el escenario para abordar interesantes discusiones en torno al emprendimiento social y que estas continúen más allá estos tres días de nuestra programación. Los invitamos a darle un vistazo al nutrido programa que cuenta con sesiones paralelas, talleres, una feria y plenarias. Agradecemos a todas las universidades y diferentes organizaciones que han contribuido a materializar este Summit.

Les deseamos una excelente participación en el Summit. No olviden utilizar en redes sociales el Hashtag #SES2021

Sincerely yours,

*Nikolay A. Dentchev, Vrije Universiteit Brussel (Belgium)
Abel Diaz Gonzalez, Vrije Universiteit Brussel (Belgium)*

Practical Information

(EN) In the past few months, we have been working in the conference planning, taking care of all details to ensure a smooth running of this virtual summit. Please consider reading the following tips and information before you go through the program and sessions:

- This is a bilingual conference (Spanish and English). No translation will be provided. Throughout the program, you will be able to identify the language of each session, so you can participate accordingly.
- Zoom is the main tool we will be using for the connection. Most of you are already familiarized with the functioning of this online meeting platform. We appreciate your efforts to keep a nice atmosphere during each of the sessions:
 - o Make sure your microphone is always muted when not talking.
 - o Only activate your camera when you are presenting in the session or asking a question.
 - o Make sure to test your internet connection well in advance. It is always preferable to join sessions from a PC instead of a mobile device.
 - o Think about selecting a quiet place, with sufficient lights when you are presenting your work. Dress accordingly.
 - o Try to finish your presentations on time, as your Zoom room will be needed to be used for the next session. Your Zoom room will need to be emptied on time, for the continuity of the program.
 - o Prepare your presentations for an online environment. Find a way to illustrate your ideas and engage the audience. Think about light files, instead of lengthy and heavy presentations.

Información Práctica

(ESP) En los últimos meses, hemos estado trabajando en la planificación de la conferencia, ocupándonos de todos los detalles para garantizar el buen funcionamiento de esta cumbre virtual. Considere leer los siguientes consejos e información antes de pasar por el programa y las sesiones:

- Esta es una conferencia bilingüe (español e inglés). No se proporcionará traducción. A lo largo del programa, usted podrá identificar el idioma de cada sesión, para que pueda seleccionar adecuadamente las sesiones de su interés, conforme al idioma de la misma.
- Zoom es la herramienta principal que usaremos para la conexión. La mayoría de ustedes ya están familiarizados con el funcionamiento de esta plataforma. Agradecemos sus esfuerzos por mantener un ambiente agradable durante cada una de las sesiones:
 - o Asegúrese de que su micrófono esté siempre silenciado cuando no esté hablando.
 - o Solo active su cámara cuando esté presentando en la sesión o haciendo una pregunta.
 - o Asegúrese de probar su conexión a Internet con suficiente antelación. Siempre es preferible unirse a las sesiones desde una PC en lugar de un dispositivo móvil.
 - o Piense en seleccionar un lugar tranquilo, con suficiente iluminación cuando esté presentando su trabajo. Utilice un vestuario adecuado.
 - o Asegúrese de comenzar y terminar sus presentaciones a tiempo. Su sala de Zoom deberá estar libre a tiempo, para las siguientes sesiones de la programación.
 - o Prepare sus presentaciones para un entorno en línea. Encuentre una manera de ilustrar sus ideas e involucrar a la audiencia. Piense en archivos ligeros, en lugar de presentaciones largas y pesadas.

Inspiring cases of Social Entrepreneurs

Let's meet, connect and support inspiring Social Entrepreneurs

*The Social Entrepreneurship Fair this year is dedicated to **more than 100 inspiring cases of social entrepreneurs** that have already joined [ELANET](#), the European Latin American Network in Support of Social Entrepreneurs.*

About ELANET:

ELANET's mission is to significantly increase the support capacity of HEIs toward SEs by creating a vibrant international ecosystem in support of social entrepreneurs. ELANET is a 3- year Erasmus+ Joint Project for Capacity Building in Higher Education (2021-2023). One of the main goals of ELANET is to develop an international IT platform in support of Social Entrepreneurs (SEs).

We invite you to have a look at the projects, currently showcasing different inspiring cases from the participant countries of ELANET ([Austria](#), [Belgium](#), [Italy](#), [Colombia](#), [Ecuador](#), [Peru](#) and [Bolivia](#)).

If you want to learn more about ELANET you can watch the following video ([Spanish](#) or [English](#))

Keynote Speakers

Presentations in English

Juan David Aristizábal

Co-Founder of ProTalento and Lecturer in Leadership at CESA Business School (Colombia)

Juan David was co-chair of the World Economic Forum Annual Meeting 2019. He won an MTV Latin America Millennial Award. In 2020, Qatar Foundation recognized him as one of the 19 emerging leaders in education worldwide. In 2021 received the International Award Princesa de Girona, for his contribution in supporting young people in Latin America through training, education, technology and entrepreneurial spirit.

Prof. dr. Xaver Neumeyer

Assistant Professor, Department of Management. University of North Carolina Wilmington Business (United States).

Dr. Neumeyer teaches entrepreneurship as well as managing technology and innovation. He has received his PhD in Mechanical Engineering from Northwestern University and was a participant of University of Florida's postdoctoral bridge program. His research interests include entrepreneurial ecosystems, ventures, and teams. His work has been published in journals including the Journal of Small Business Management, Small Business Economics, the Journal of Technology Transfer, and the Journal of Cleaner Production and he a recipient of AOM's Entrepreneurship Practice Award.

Keynote Speakers

Presentaciones en Español

Betsabé Veliz Merino

Project Manager, The Peruvian Social Incubator (Peru)

Estudios de posgrado en Gestión de Políticas Públicas, Gestión de Proyectos y Gestión Financiera por CENTRUM PUCP; y, recientemente, en Business Analytics: Toma de decisiones a partir de los datos, en la Universidad de Cambridge. En su campo profesional, es actualmente legal project manager y maestranda en Alta Dirección Internacional por la Universidad Complutense de Madrid. Actualmente, como parte del equipo de la incubadora, Betsabé trabaja en temas de planeamiento estratégico y gestión de proyectos que priorizan el emprendimiento social y el desarrollo de capacidades.

Alejandra Pamela Loaiza Marquez

Co fundadora, Vely Emprende (Bolivia)

Alejandra es licenciada en administración de empresas de la Universidad Católica Boliviana “San Pablo” Tarija, se encuentra cursando una maestría en finanzas, inversiones y mercados bursátiles. Es fundadora del proyecto Vely Emprende que tiene la misión de potenciar al emprendedor local en la ciudad de Tarija, en Bolivia.

Wednesday, September 8th

By: Tatiana Sandivar Orellana and Osvaldo Walter Gutierrez Andrade

(EN) Workshop 2(d)

Workshop for Social Entrepreneurs - Systems Change, facilitated by Ashoka Belgium

This hands-on course is a pilot to help social entrepreneurs add the basics of a “systems change approach” to their toolbox to tackle social problems and reflect about how to build your organisation. It is rooted in Ashoka’s three decades of experience in supporting social entrepreneurs who are passionate about systems change – tackling the root causes behind problems in a way that leads to lasting change. This will be an interactive 1.5 hour session, that is open for entrepreneurs, lecturers and changemakers who want to learn more about applying systemic thinking.

Facilitator: Yannick Fischer

Time: 17:00 – 18:30 Brussels Time

COFFEE BREAK | PAUSA PARA CAFÉ

Time: 18:30-19:00 Brussels Time

Session 3(a) (English)
